Hi Manish,
 As mentioned, please follow steps

1. Ask BASIS to provide **FBXX** tcodes access to required roles/users in PRD
2. Ask a few users to check whether they are able to PARK the document using FBXX tcode
3. We will move the TRs to PRD
4. Users will now be able to only **PARK documents using FBXX in PRD**
5. Post settlement time of 1-2 days, ask BASIS to revoke **FVXX** access to all users. FVXX to be provided to only those users who are allowed to directly POST the documents (without parking)
6. Review FBV0 authorization to users. FBV0 is used to POST the parked document.

After completion of first 2 steps, please let me know, we will move TR to PRD.

Dear Akash ji

We have provided FBXX rights to users in PRD. Kindly move TR so that we can check the park and post functionality.

Manish
